☐ The petition filed on _____ under 37 CFR 1.312(b) is granted. The paper has been forwarded to the examiner for consideration on the merits.

☒ The amendment filed on Aug 17, 1998 under 37 CFR 1.312 has been considered, and has been:

☐ entered.

☐ entered as directed to matters of form not affecting the scope of the invention (Order 3311).

☐ disapproved. See explanation below.

☒ entered in part. See explanation below.

The amendment to the specification at page 20, line 3 (changing SEQ ID NO:9) has not been entered because entry of the amendment would render SEQ ID NO:9 as presented in the paper and CRF of the Sequence Listing currently of record in the application different from SEQ ID NO:9 on page 20 of the specification. Since 37 CFR 1.821(c) requires that all sequences in the application be listed in the Sequence Listing, entry of the amendment cannot be considered until applicants provide a new, complete, Sequence Listing with the new SEQ ID NO:9.

The remainder of the amendment has been entered.
